

LETTER TO WING COMMANDERS

www.patriotgolfday.com

Greetings Wing Commanders,

First of all, thank you for volunteering your time to make Patriot Golf Day even more successful than in years past. Your efforts in 2009 will make a tremendous impact on the lives of our military families who have made the ultimate sacrifice. On behalf of these families and the Folds of Honor Foundation, we are grateful for your commitment to the cause.

We would like you to begin making phone calls to fellow PGA members on Friday, May 8. Please contact your Section Executive Director who has access to a complete list of courses in your section and a list to-date of all courses currently registered for Patriot Golf Day. He or she will also be able to provide a list of facilities that participated last year if you would like to cater your conversations accordingly.

We have attached a script to guide you during your phone calls. It also has some general information about Patriot Golf Day should anyone have any basic questions. By the end of May we will have an online resource center with additional materials for all Wing Commanders and participating facilities at www.patriotgolfday.com. In the meantime, if you or anyone you speak to has any questions, please contact us at contact@foldsofhonor.org or (918) 494-8823.

Godspeed,
